Limited Warranty for ArtVidar LLC

ArtVidar LLC ("ArtVidar Cabinetry") is pleased to provide the following limited warranty for all cabinets imported, assembled, and sold in the United States by ArtVidar Cabinetry. Please note that this warranty does not cover cabinets sold or shipped outside of the United States. This limited warranty is subject to specific limitations, exclusions, disclaimers, and procedures outlined herein.

Warranty Coverage:

ArtVidar Cabinetry warrants to the original purchasing consumer that all cabinets purchased from ArtVidar Cabinetry will be free from unnatural defects in material and workmanship, consistent with the ArtVidar Cabinetry quality standards sheet, under normal residential use. This warranty extends for a period of 5 years from the date of the original purchase (with 2 years of warranty coverage for paint and stain application) or for as long as the original purchasing consumer owns the home in which such cabinets are installed, whichever is less. Please note that this warranty is nontransferable to subsequent owners of the home.

Warranty Claims:

In the event of a defect occurring within the terms and conditions of this warranty, ArtVidar Cabinetry reserves the right to repair or replace the defective part at its sole discretion. However, it's important to clarify that ArtVidar Cabinetry will not cover the cost of removal or transportation of the defective product, the repaired or replaced product, or the installation of the repaired or replaced product. ArtVidar Cabinetry will also not be held responsible for any shipping damages to the defective, replaced, or repaired product.

If a defective item has been discontinued or is unavailable at the time of the claim, ArtVidar Cabinetry retains the right to replace the item with the most similar item available in ArtVidar Cabinetry's inventory at that time. It's important to note that due to the natural aging process of wood and finishes, ArtVidar Cabinetry cannot guarantee that the finish of any replacement will exactly match the finish and appearance of the defective item.

In some cases, ArtVidar Cabinetry may require the customer to submit a clear photo or allow a company representative to inspect the claimed item.

Warranty Limitations:

This limited liability warranty only applies to defects caused by ArtVidar Cabinetry.

It does not cover products that have been misused, mishandled, abused, improperly stored or installed, modified, or exposed to excess moisture, extreme temperatures, abrasive or citrus cleaning products, neglect, transit damage, assembly, disassembly, intentional damage, accidents, negligence, on-site alterations, improper storage, defective installation, or normal wear and tear.

This warranty excludes any products used or installed in conjunction with cabinets, such as gas or electric appliances, counter tops, or plumbing fixtures.

It does not apply to products installed in locations without year-round environmental controls.

Any modification to the hardware structure or finish of the original consumer purchaser's cabinetry by unauthorized individuals will void this limited liability warranty.

The product must be used exclusively for its intended purpose to be covered by this limited liability warranty.

This warranty becomes void if the cabinets or any components or parts thereof are modified, improperly installed, or damaged before or during installation, or if they are used in applications other than normal residential use.

No installer, retailer, distributor, agent, or employee of ArtVidar Cabinetry has the authority to alter the obligations or limitations outlined in this warranty.

For any warranty claims or inquiries, please visit our website at www.artvidarcabinetry.com or contact our customer service team.
