We provide affordable, quality wood cabinetry. Cabinetry that is functional and timeless. Cabinetry that is reliable and durable enough for our families. Cabinetry that we use in our own homes every day.

Forevermark Cabinetry features wood construction, superior hardware, and durable paints and finishes. We carefully design each distinctive style to make sure your kitchen stands out. In addition to independently tested air emissions approval and durability testing on all Forevermark Cabinetry, we offer select products with Waterborne UV finishes furnished by Sherwin-Williams®, and select products with raw materials that are Forest Stewardship Certified®.

You don't have to settle for an ordinary kitchen. With Forevermark Cabinetry, your kitchen can be...

EVERYTHING YOU DIDN'T KNOW IT COULD BE.

Our Commitment to Quality

EPA TSCA TITLE VI COMPLIANT

Matrix is constantly striving to meet and surpass all requirements for high quality cabinetry. As such, Forevermark Cabinetry products meet the United States Environmental Protection Agency (EPA)'s current standards for compliance with TSCA Title VI. Labeling indicating compliance is on each box and product. EPA's TSCA Title VI, the Formaldehyde Standards for Composite Wood Products Act, establishes the world's most stringent formaldehyde emissions standards for composite wood products. For more information, please feel free to visit www.epa.gov.

GREENGUARD GOLD CERTIFIED

Forevermark Cabinetry is proud to further demonstrate our commitment to the well-being of our customers by offering select products with UL Environment's GREENGUARD GOLD certification.

Striving to protect human health and quality of life, the GREENGUARD Gold Certification Program, with standards among the most stringent indoor air quality standards in the world, offers stricter certification criteria, considers safety factors to account for sensitive individuals, and ensures that a product is acceptable for use in environments such as schools and healthcare facilities. It assures that products designed for use in indoor spaces meet strict chemical emissions limits, which contribute to the creation of healthier materials.

The GREENGUARD Certification Program gives assurance that products designed for use in indoor spaces meet strict chemical emissions limits, which contribute to the creation of healthier interiors.

Breathe Easier by selecting a Forevermark Cabinetry product for your home.

• Lines with GREENGUARD GOLD certification: AZ, AR, AA, AH, AN, PW, PD, PR, PS, PH, SL,

WATERBORNE UV FINISHES from Sherwin-Williams®

Forevermark Cabinetry proudly manufactures select products incorporating the use of waterborne UV coatings furnished by Sherwin-Williams®. The use of waterborne UV finishes is a part of Forevermark Cabinetry's ongoing commitment to sustainability. Benefits Include:

- 2.3 lbs./gal VOC or less
- HAPS free
- Water-reducible (liquid coatings)
- Superior scratch resistance
- Formaldehyde hazard free
- Reduction of environmental impact
- Lead and chromate hazard free

Lines with Waterborne UV finishes: SL, AA, AH,
AN, AR, AZ, PW, PD, PH PR, PS,

ANSI/KCMA Compliant

Forevermark is Certified ANSI/KCMA Compliant. Cabinets are tested through Home Innovation Laboratories which is the same lab that KCMA uses.

Forevermark complies with ANSI/KCMA A161.1 also known as American National Standard Institute/KCMA standards.

FOREST STEWARDSHIP COUNCIL® CERTIFIED

Forevermark Cabinetry is proud to offer select products with raw materials that are Forest Stewardship Council® (FSC) certified through its supplier.* The FSC® is an independent, non-profit organization that protects forests for future generations, and is the only system supported by groups such as WWF, Sierra Club, Greenpeace, Natural Resources Defense Council, and National Wildlife Federation. The FSC® protects water quality, prohibits highly hazardous chemicals, restricts deforestation, protects customary rights of indigenous people and local communities, prevents loss of natural forest cover, protects high conservation value forests, and limits clearcuts to protect forest ecology.

By purchasing a FSC-certified product, customers can ensure that their product is coming from responsibly managed sources.

Eucalyptus Grandis is a consistent, premium hardwood material with the following benefits:

- Durability - used often in high-end applications
- High level of dimensional stability
- Sustainable & Eco-friendly
- Exceptionally versatile
- Superior grain consistency

Lines with FOREST Stewardship Council Certification: AA, AH, AN, AR, AZ, PH PS, PR (raw materials only)

DURABILITY

Our cabinets have been independently tested and meet or surpass standards set by the American National Standards Institute

(ANSI). Our cabinets comply with ANSI/KCMA A161.1 standard for kitchen cabinets. Testing for these durability standards includes a battery of tests that simulate years of use, including structural, drawer, door operation, and finish tests. These standards include:

Shelves and Bottoms - After 7 days of loading at 15 pounds per square foot, cabinets and mounting systems must not deflect excessively or show any indication of a joint failing or separating.

Base Joints - To ensure front joints that won't open under stress during installation or in use, a load of 250 pounds or 200 pounds is placed to the interior of cabinet-front stiles for cabinets with drawer rails.

Weight Test - Drawers are loaded at 15 pounds per square foot and operated through 25,000 cycles to test their ability to operate with loading during normal use. The drawers must then continue to function without any malfunctions in the operating system or drawer assembly, and drawer bottoms must not be deflected to obstruct drawer operation.

Stress Test - Doors are opened and closed 25,000 times in full 90-degree swings. The door must be operable, the door-holding device must keep the door closed at the end of the test, the hinges must not be visibly damaged, and the connections between the cabinet and the door and the hinge must not be loose.

Heat Test - For 24 hours, a cabinet door is kept in a hotbox set at 120 degrees Fahrenheit and 70 percent relative humidity.

Cold Test - After spending an hour in a hotbox set at 120 degrees Fahrenheit and 70 percent relative humidity, a cabinet door is taken out and allowed to return to room temperature and humidity levels. Next, it is placed in a cold box set at -5 degrees Fahrenheit for an additional hour.

Wall Mounted Cabinets - Base cabinets are wall hung and wall cabinets are mounted. They are loaded to 600 pounds and exhibit no signs of cabinet or mounting system breakdown.

Drop Test - A three-pound steel ball is dropped from six inches above the surface to see if shelves, bottoms, and drawer bottoms can withstand the weight of cans and other objects being dropped on them. After the test, the drawer must not have any visible signs of joint failures or separation and must function normally.

Structural Strength - A three-pound weight is dropped eight inches against the drawer assembly to see how well it can withstand the force of closing the drawer in typical use. After ten drops, the drawer-front assembly must not show signs of structural damage or looseness that would make it difficult to operate.

Load Test - The door is under 65 pounds of pressure. The weighted door is moved through ten cycles of 90 degrees open, 20 degrees open, and 90 degrees open again. The door and hinges must not exhibit any obvious signs of damage or looseness after being weighted for ten minutes.

Spill Test - The exterior exposed surfaces of doors, front frames, drawer fronts, and end panels are exposed to mustard for one hour and tomato ketchup, olive oil, orange, lemon, and grape juices, coffee, vinegar, and 100-proof alcohol for 24 hours.

Stain Test - Depending on the type of door, a cabinet door edge is exposed to a standard detergent formula for 4-24 hours.

ASSEMBLED CABINETS

Matrix Cabinets offers assembled cabinets to all dealers. The rate for assembly is \$20 per cabinet. Orders are shipped freight class 150 instead of class 70, so freight rates will be quoted per individual order. Lead time on assembled orders may vary.

EXPORT SHIPPING

Export packaging is available for our customers sending shipments overseas. Pricing will be determined by size of order. Please indicate this option in writing on your order form.

ORDERING DETAILS

Orders may be made on-line by using our on-line portal or sent in via email on a Matrix Cabinets Order Form which can be downloaded from www.MatrixCabinets.com.

SHIPPING

All Flat Pack Shipments will be priced at no more than 10% of order cost. Assembled orders will be custom quoted. All orders will have a \$5 minimum charge.

WARRANTY INFORMATION

There is a five year limited warranty on factory defects for most door styles. All painted door styles have a two year limited warranty. Matrix Cabinets will replace the defective part(s) and ship it to you at our cost using the most appropriate shipping method. More warranty information found on page J2

CLAIMS/RETURNS/REPLACEMENTS

All matters dealing with Claims/Returns/Replacements must go through our Warranty Department. A "Warranty Form" must be filled out Online, emailed to warranty@matrixcabinets.com or faxed to (912) 366-0122.

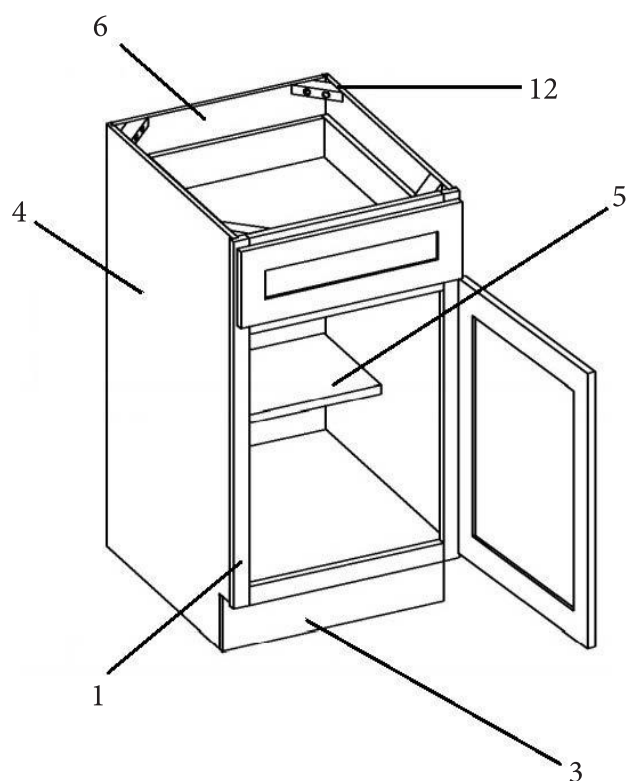

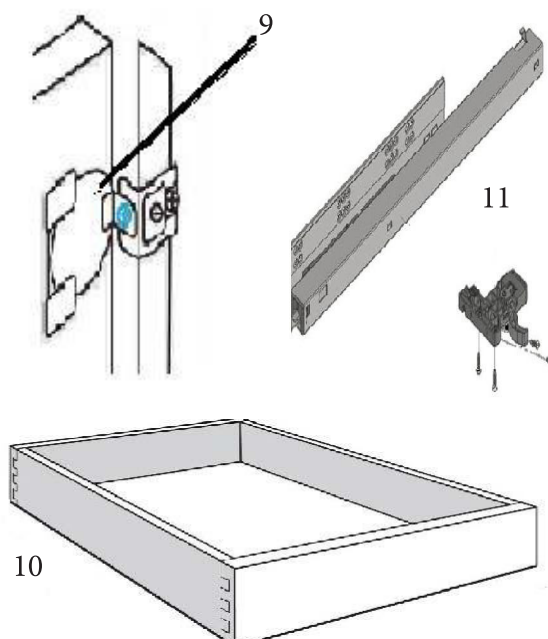

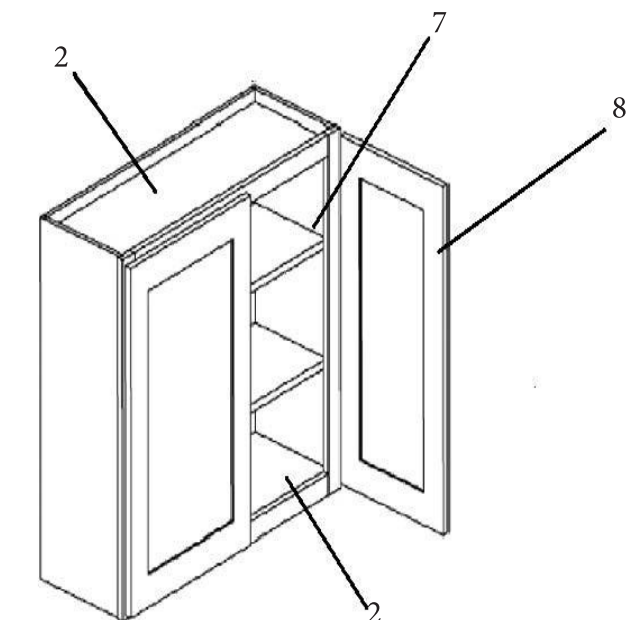

Freight and Replacement Claims

- Verify that your order is intact and correct BEFORE signing the driver's delivery slip. Any incorrect or missing items claims will NOT be honored once a delivery is signed for. Notify warranty@matrix.com within 24 hours of issues with the delivery.
- Note on the driver's delivery ticket any items that appear damaged or are missing.
- Open all boxes within fourteen (14) days of delivery. When there are backorders mark missing or incorrect shipments within (14) days of delivery.
- If damage is found once cabinets boxes are opened a warranty form must be filled out completely and submitted along with a picture of the damaged item.
- If a claim is not filed in fourteen (14) days, the item will not be replaced. Damaged item claims must be made **PRIOR** to assembly and/or installation.
- Replacements will not be honored if the item being replaced has been installed or altered.
- We may request that parts/products to be returned upon delivery of any replacement. If this requests not honored within 60 days from delivery of replacement we will charge the dealers account for replacement parts.

Returns

Cabinet Returns can be accepted for return up to 60 days after delivery date. We can only accept RTA returns in new condition and in unopened boxes. Assembled, modified or special order cabinets cannot be returned. Display orders cannot be returned. All returns are subject to inspection and a 25% restocking fee. Returns are accepted for credit only, and applicable credit will be applied to the dealer account. Proper paperwork is required. Items that are confirmed but canceled prior to delivery or refused upon delivery will also incur a restocking fee.

Cabinet Features

1. Face Frames - 3/4" x 1 1/2" birch hardwood.
2. Tops & Bottoms - 1/2" A-Grade plywood with wood veneer.
3. Toe Kicks - 1/2" thick x 4 1/2" tall.
4. Side Panels - 1/2" A-Grade plywood with wood veneer.
5. Shelves - 3/4" A-Grade plywood with veneer.
6. Back Panels - 1/2" picture frame recess style.
7. Shelf Clips - Metal shelf clips.
8. Doors - 3/4" Doors
9. Hinges - Concealed 6-way adjustable soft close door hinges.
10. Drawer Boxes - Solid wood 17mm (close to 3/4") sides, 3/8" bottom, 21" long, dovetail construction with a natural finish
11. Drawer Glides - Soft-close full extension, under-mount.
12. Base Corner Brackets - 3/4" solid wood.

*More detailed specifications for each cabinet can be found in the Gold, Platinum and Titanium sections.

Pricing Glass Doors

Glass Doors Sold Separately

All glass doors include glass pre-inserted.

When ordering a glass door first order the wall cabinet that the glass door(s) will be inserted. You will receive the wall cabinet with the original door(s) and the glass door(s) will come separately. When assembling, simply take the original door(s) off the hinges and replace with the glass door(s).

Glass Doors

"The designation 'B' indicates that these doors are sold as a matching set designed to fit the corresponding cabinet.

ASSEMBLY INSTRUCTIONS

Notice

Every effort was made to ensure that the information in this document was accurate at the time of printing. However, all information is subject to change without notice.

Disclaimer

IMPORTANT:

These assembly instructions are intended as general guidelines for several different, although similar cabinet models. Therefore, if the cabinet being assembled is different from the one depicted in the instructions, appropriate actions should be taken during assembly. No representations or warranties are made as to the accuracy or completeness of the information and procedures contained herein.

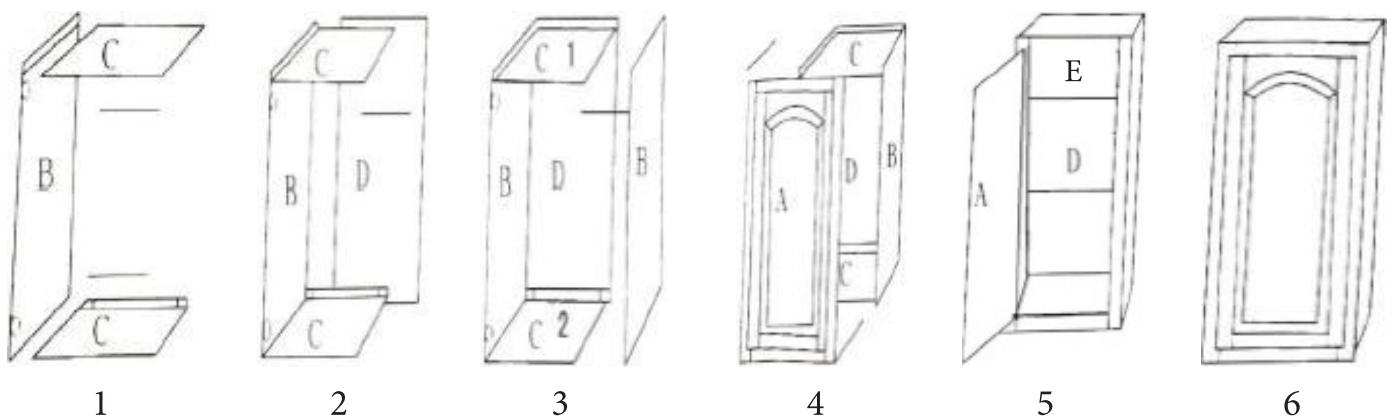

Tool Requirements

The only tools required are a Phillips screwdriver or a compact corded or cordless electric drill/driver fitted with a Phillips screwdriver bit. In addition, if when assembling the cabinet components do not fully seat with other interlocking parts, a soft-blow mallet may be used with care.

NOTE: If equipped with a speed control switch, the electric drill/driver should be set to a slower speed setting to avoid the possibility of over-driving the screws and accidentally damaging components.

Before you start , please prepare a soft surface on a table or floor before you take out all the wooden components. Now take them out with care and put them on the soft surface to avoid scratching the wooden parts.

	SHELF BRACKETS	2	c
	SCREW 4*18	8	d
	SCREW 3.5*19	2	e

Step 1: Locate install space.
Install supporting rod to wall studs

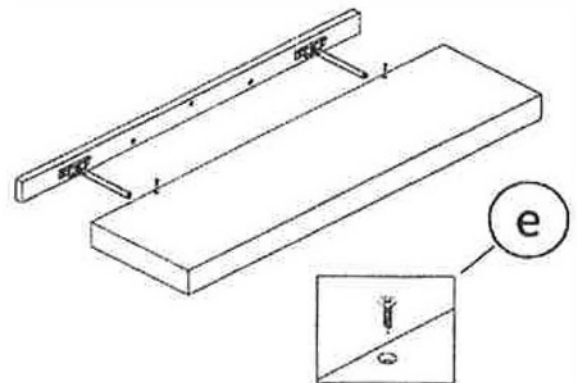

Step 2: Adjust level then install wood supporting rod with long screws.

Step 3: Adjust shelf
brackets (5 way
adjustable)

Step 4: Install shelf brackets and check size.
24" = 310mm
30" = 462mm
36" = 614mm

Step 5: Attach floating shelf with shelf brackets.
Install with screws (e 3.5*19=3 pcs)

Ordering Instructions and Warranty

ONLINE ORDERING

www.matrixcabinets.com

- 20/20 and Pro Kitchen upload capabilities
- Ability to store an unlimited number of drafts (quotes)
- Real time order tracking
- Checkout and pay on-line (credit card and check accepted)
- Mobile friendly

Easy Set Up for Current Dealers

- Go to www.matrixcabinets.com
- Click “Dealer Login”
- Click “Forgot Password”
- Enter email address associated with your account. If specific address is unknown contact your sales rep or email Leasia@matrixcabinets.com
- Click “Reset Password”
- A link will be sent to your email address, follow link to reset password

Quick Notes

- Click “Draft” all quotes and orders should always start as a draft. Drafts are saved automatically.
- “Quick Cart” Should only be used when needing only 1 item.
- Refine by allows products to be sorted to better assist in searching.
- If Refine by doesn’t produce the wanted result, use the search feature on the top right of the page.

Further Assistance

For all other questions, please contact your sales representative. They can walk you through the ordering process.

Warranty Claims

Warranty claims can be made on-line at www.MatrixCabinets.com by clicking on the warranty from link under dealers. Or by filling out a “Warranty Form” in its entirety and emailing it along with pictures to warranty@matrixcabinets.com

Warranty

Forevermark Cabinetry has a two to five year limited warranty on cabinetry parts and hardware, guaranteeing your cabinetry to be free from material or workmanship related defects under normal use to the original owner. For more information, ask a representative for complete details.

LIMITED WARRANTY INFORMATION

Matrix Cabinets warrants its Forevermark Cabinetry products to be free of manufacturer defects that are avoidable, and unnatural defects in material and workmanship under normal use, for five (5) years from the date of purchase by the original consumer purchaser (except for cabinets with painted finishes, which are limited to a two (2) year warranty). This limited liability warranty applies to residential use only at the original site of installation only. This limited liability warranty is non-transferable.

This limited liability warranty does not cover or apply to any defect that is not caused by Matrix Cabinets. This warranty does not cover or apply to products that have been misused; mishandled; abused; improperly stored or installed; modified; or subject to excesses of moisture or extreme temperatures, abrasive or citrus cleaning products, neglect, transit damage, assembly, disassembly, intentional damage, accidents, negligence, on-site alterations, improper storage, defective installation or normal wear and tear. Any modification to the hardware structure or finish of the original consumer purchaser's cabinetry by anyone other than those specifically authorized by Matrix Cabinets to do so shall void this limited liability warranty. The product must be used exclusively for its intended purpose in order to be covered by this limited liability warranty. This limited liability warranty shall become void if the cabinets or any components or parts thereof are in any way modified, improperly installed or damaged prior to or during installation, or installed or used in other than normal residential applications.

This limited liability warranty does not include or cover the cost of installation, removal, subsequent damage or transportation of the allegedly defective product, regardless of whether work was performed by a contractor, a service company or the original consumer purchaser. This limited liability warranty does not apply to any products used in conjunction with the cabinetry, including but not limited to countertops, appliances or plumbing fixtures. Use of cabinetry or any components or parts thereof in any way contrary to any instructions furnished by Matrix Cabinets shall void this limited liability warranty.

Matrix Cabinets' obligation under this limited liability warranty shall be limited to the repair or replacement, at its sole discretion, of any cabinetry or any components or parts thereof that Matrix Cabinets deems proven defective under normal use and service within the warranty period. This limited liability warranty is limited to the repair or replacement of the allegedly defective cabinetry or components or parts thereof, and does not include or cover any other costs, including but not limited to any costs of service, labor, shipment, transportation, removal or installation related to the repair or replacement.

Forevermark Cabinetry cabinets are constructed from several pieces of solid wood and wood veneers on plywood. Differences in grain pattern and color should be expected. Wood characteristics that naturally occur, such as variations in color, grain, mineral streaks and knots, are not considered defects. Color variations and color softening in cabinets are a natural occurrence due to species, age, character of cabinets and exposure to UV light and sunlight. For these reasons, replacement cabinets may not match display samples and/or the existing cabinets in the original consumer purchaser's home. Such variations and changes are not considered defects. This limited liability warranty applies only to defects, and does not apply to the yellowing and aging of any wood product. Forevermark Cabinetry products are wood products, and extreme conditions (high/low humidity, temperature, etc.) will cause any wood product to respond adversely. Accordingly, this limited liability warranty does not apply to cabinetry exposed to extreme conditions. Please note that newly produced cabinets will never be the same color as aged cabinets. Matrix Cabinets reserves the right to inspect any alleged defects in the field to determine if the product should be repaired in the field or in the factory, or replaced, if at all.

Mitered door joints in particular are likely to react to conditions of their environment. Gaps that may develop in door joints due to conditions of their environment are not included or covered by this limited liability warranty. This limited liability warranty does not cover or apply to hairline cracks of cabinetry; hairline cracks are unavoidable in wood cabinets given the nature of the material. Every species and grade of solid wood behaves in such a way as to eventually result in hairline cracks. Painted finishes react differently than stained finish with normal wood movement, and climatic conditions may result in breaks in finish, recesses and joint and panel lines. These conditions are considered a normal occurrence and are not included or covered by this limited liability warranty. Cabinet doors that are warped must be allowed to hang through one seasonal heating cycle (i.e., through a full summer) before replacement will be considered by Matrix Cabinets under this limited liability warranty. Doors that are warped in either direction not exceeding one-quarter inch (1/4") do not exceed normal material expectation and are not included or covered by this limited liability warranty.

Warranty Continued

LIMITED WARRANTY INFORMATION (CONT.)

Matrix Cabinets periodically makes changes to its product line and specifications. If a warranty claim is presented for a discontinued or unavailable cabinet or component or part thereof, Matrix Cabinets will replace the cabinet or component or part thereof under warranty with a new cabinet or component or part thereof of the same style or with a similar or comparable style currently offered by Matrix Cabinets. Some replacement cabinets and components and parts thereof are subject to availability, and may differ from those originally supplied. Matrix Cabinets is not responsible for replacement product that may not exactly match installed product, and is not obligated to inform original consumer purchasers of the discontinuance of or changes to product lines and specifications or to make similar changes in all products previously manufactured. Material changes are not a valid reason for an original consumer purchaser to refuse replacement under this limited liability warranty.

Warranty claims cannot be made directly to Matrix Cabinets by the original consumer purchaser. To submit a warranty claim, the original consumer purchaser must contact the dealer or distributor from whom the Forevermark Cabinetry products were purchased and report the nature of the alleged defect. The dealer or distributor will obtain the information necessary to make a claim decision, and forward such information in writing to Matrix Cabinets for Matrix Cabinets' consideration of the claim. If the dealer or distributor is no longer functioning as a business entity, please submit your claim in writing, with proof of purchase, to: Matrix Cabinets, 52 Industrial Dr, Baxley, Ga 31513

If a manufacturing defect occurs within this limited liability warranty's terms and conditions and Matrix Cabinets determines to replace the defective cabinet or component or part thereof, Matrix Cabinets will ship the replacement cabinet or component or part thereof to the original consumer purchaser via ground shipper or freight carrier, at Matrix Cabinets' sole discretion.

Please do not send the allegedly defective cabinet or component or part thereof to Matrix Cabinets, unless and until expressly requested to do so by our claims department. Pictures of cabinets or components or parts thereof may be requested by Matrix Cabinets. Making a fraudulent claim may be a crime, and violators may be prosecuted.

This limited liability warranty and its enforcement, and any and all claims or disputes arising out of, relating to or in connection with this limited liability warranty or the making, performance or interpretation of this limited liability warranty, shall be (1) governed by and construed exclusively in accordance with the laws of the State of Georgia, without regard to the conflicts of law or choice of law principles of the State of Georgia or any other jurisdiction (including but not limited to U.S. Federal law) that would require the application of the law of any other jurisdiction, and (2) brought only in the United States District Court for the District of Georgia or the Georgia Superior Court, Appling County.

THIS WRITING IS THE COMPLETE AND EXCLUSIVE REMEDY FOR ANY ORIGINAL CONSUMER PURCHASER FOR BREACH OF WARRANTY. THE STATEMENT OF THE EXPRESS WARRANTIES PROVIDED HEREIN IS IN LIEU OF ANY AND ALL OTHER EXPRESS AND/OR STATUTORY WARRANTIES, TO THE EXTENT PROVIDED BY LAW. IN NO EVENT SHALL Matrix Cabinets BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES TO ANY ORIGINAL CONSUMER PURCHASER OR A THIRD PARTY, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM PERSONAL INJURY, LOST PROFITS, LOSS OF BUSINESS OPPORTUNITIES, LOSS OF PROPERTY, ECONOMIC LOSS, STATUTORY OR EXEMPLARY DAMAGES, WHETHER FROM NEGLIGENCE, WARRANTY, STRICT LIABILITY OR OTHERWISE. ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, COURSE OF DEALING AND USAGE OF TRADE, AND ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARE EXCLUDED AND DISCLAIMED, EXCEPTING ONLY THOSE EXPRESS WARRANTIES SPECIFICALLY SET FORTH IN THIS LIMITED LIABILITY WARRANTY. IN NO EVENT SHALL Matrix Cabinets BE LIABLE FOR ANY INDIRECT DAMAGES RESULTING FROM INSTALLATION, USE OR FAILURE OF ITS PRODUCTS. THIS LIMITED LIABILITY WARRANTY IS Matrix Cabinets SOLE WARRANTY, AND NO DEALER, DISTRIBUTOR OR AGENT POSSESSES ANY AUTHORITY WHATSOEVER TO MODIFY OR ENLARGE THIS WARRANTY IN ANY WAY.

WARRANTY FORM

Warranty Email: warranty@matrixcabinets.com Fax (912) 366-0122

Please fill out this form in full. All fields are required and will not be processed unless this form is filled out in its entirety. Fax form to (912) 366-0122 or email to warranty@matrixcabinets.com.

Return only

Please note that returns are only accepted K/D, in good condition, and in original packaging. Assembled cabinets are not accepted for return. Returns are accepted up to 60 days after shipment date. All returns are subject to inspection and a 25% restocking fee. Returns are accepted for credit only to dealer account. Dealer is responsible for return freight. Credit must be used within 6 months of issue.

Replacement only

Please note that items damaged due to shipping can only be claimed up to 14 days after shipment date. This includes and is not limited to concealed damages, dents or scratches. For Freight shipping claims notify the driver at time of delivery, and notify Matrix within 24 hours with images of shipment. Replacements will not be issued for any damaged items that are altered or installed (i.e. handles) unless it is an issue under factory warranty. Replacement items ship via ground carrier. Expedited replacement items cannot be accommodated. All damaged items must be submitted at one time. Otherwise, additional charges may occur. Some replacement parts are subject to availability, and may differ from those originally supplied. Please see warranty page and catalogue for more information.

Please send photographs of item(s) claimed for replacement to warranty@matrixcabinets.com Photographs must provide evidence of reason for replacement. If photographs are not received within 30 days of claim, Matrix Cabinets reserves the right to charge dealer for replacement items unless arrangements are made to return claimed items.

I, the undersigned, hereby declare the above information to be true and correct to the best of my knowledge.
